## Why music?

MUSIC HELPS EDUCATE THE WHOLE STUDENT.

### Get Knowledgeable! — The Every Student Succeeds Act

Congress has put away No Child Left Behind for good, creating a new day for music education:

- Specific and stand-alone mention of music as an important component of a well-rounded education
- New and expanded funding opportunities to support the access of music education
- More professional development for music educators

### Take Action! — Support Your School's Music Program

- Invite school board members, county/district supervisors, state and national lawmakers to your school's performances
- Communicate with your local media outlets. Visit [nafme.org/take-action/](http://nafme.org/take-action/) for our "Public Relations 101" guide for ideas
- Thank your school principal and other administrators for supporting your school's music program, and keep them up-to-date with upcoming program activities
