in your community and nation

Get Knowledgeable! – The Every Student Succeeds Act (ESSA)

- Title I, Part A – Provides funds to school districts to help disadvantaged children achieve proficiency on challenging academic standards and improve the performance of low-achieving schools.
- Title II, Part A – Focuses on improving student academic achievement by bolstering skills and expertise of teachers, principals, and other educators and increasing the number of high-quality teachers and principals in schools.
- Title IV, Part A – Provides funds to support a well-rounded education (including music), safe and healthy students, and the use of technology in the classroom.
